

Features & Benefits of “HWH[®] The Company”

HWH[®] pioneered RV Leveling Systems and has been supplying the industry since 1967. We’ve maintained the position as the number one choice of Consumers and RV Manufacturers, Converters, Dealers and Coach Owners nationwide rely on HWH[®] for their leveling and room extension needs. Over a quarter million systems sold and repeat customer loyalty proves the quality and workmanship of our HWH[®] systems.

FEATURES

BENEFITS

Components are Designed Specifically for RVs

- 10 acres under-roof of in-house design, computer programming & manufacturing (including valves, cylinders, computers, wiring harnesses, switches, panels and fabrications) allow HWH[®] to build systems specifically for RVs.

In-House Engineering Staff

- Creates a superior product. (Eliminates assembling a collection of “off-the-shelf” components built for other uses.)
- HWH[®]'s staff of 9 Graduate Engineers and Six Engineering Technicians ensure that customers get the best product in the industry.
- Gives HWH[®] the ability to design and patent new, innovative products and enhance existing designs in an efficient, cost effective manner.
- Gives HWH[®] the ability to respond quickly to the ever-changing demands of the fast-paced RV industry.

Use of High Grade, Corrosion Resistant Materials

- Longer, more trouble-free product life.

Low Maintenance Systems

- Systems are designed to be low maintenance so you can spend less time maintaining and more time enjoying your RV experience.

Weight (Fuel) Saving Designs

- HWH[®]'s state-of-the-art, in-house metal working facility allows them to cost effectively build intricate, weight saving parts.
- Components with high strength-to-weight ratios provide RV weight savings that can be used for better things... like storage... and family.

Quality Controlled Products

- Computer aided design, drafting and machining ensure a quality product.
- Components are inspected & bench tested prior to shipping for added quality.

HWH[®] Leveling System Configurator Software

- Makes component selection for RVs quick and simple. (Available On-Line)

Nationwide Distribution Network

- Allows for quick delivery time and simplified dealer ordering.

Nationwide Dealer/Service Network
