CAREER OPPORTUNITY Mechanical Design Engineer

Job Summary

HWH is looking for a flexible, multi-talented design engineer capable of working in a fast-paced, hands-on environment - ready to accept challenges and be part of our engineering team. The position will include developing a range of products - mainly hydraulic systems geared toward the RV industry.

Specific Responsibilities

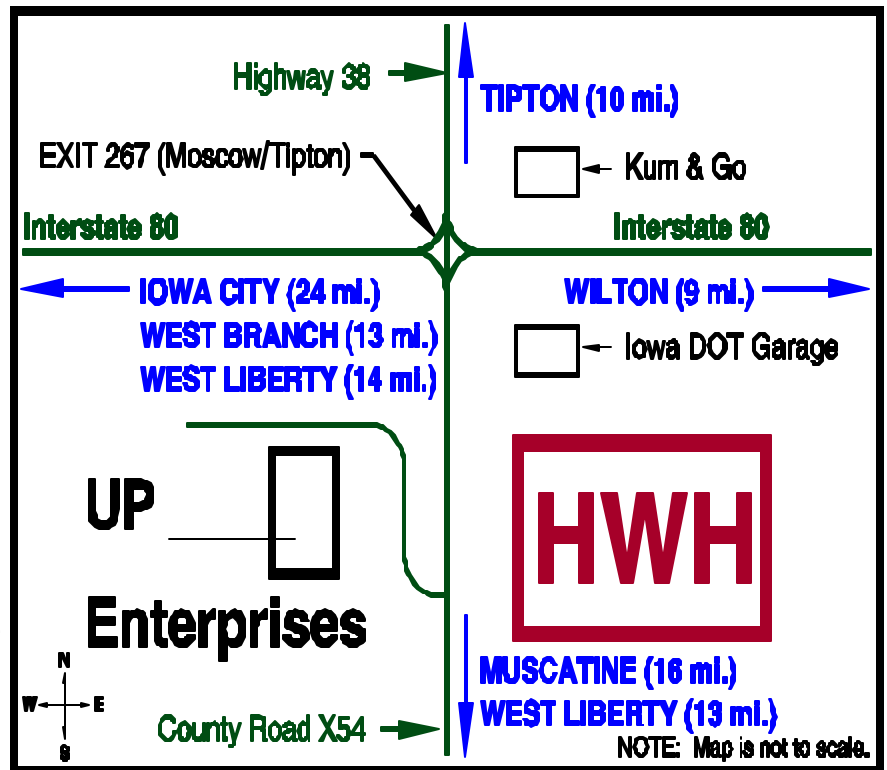

- Design, develop, and document new products from concept, through engineering release, to production and maintenance revisions.

Minimum Requirements

- BSME or Equivalent.
- CAD skills a plus.
- BOM experience a plus.
- Hands-on mechanical experience a plus.
- Ability to interact with vendors and customers.

Additional Information

- Full time position.
- Salary negotiable.

Please email your resume to careers@hwh.com.
