HWH® HIRING PRACTICE

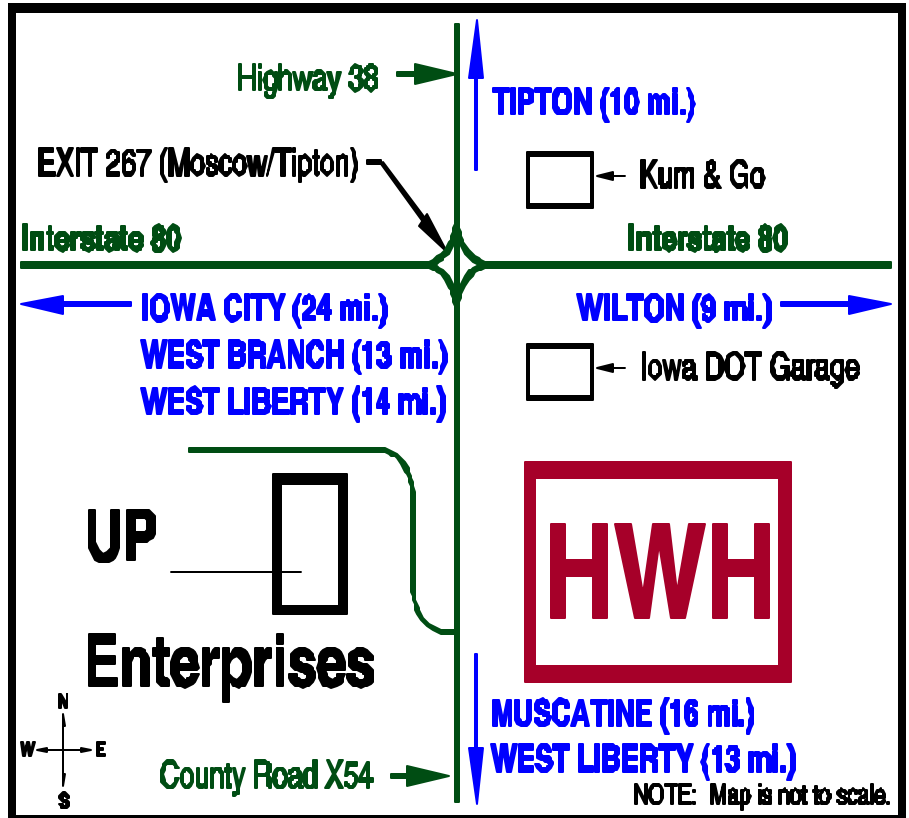

Thank you for considering HWH® for your career!

**To schedule an on-site interview,
please call our Hiring Hotline at 563-340-3822 and speak with a member of our
HWH® Talent Acquisition Team (Bill Awtry or Julie Sterner).**

It is our general practice to hire new hourly employees through a *staffing agency; however, we encourage a direct interview with our in-house HWH® Talent Acquisition Team before reporting to a staffing agency.

Steps to Obtaining a Career at HWH:

1. Call HWH® to set up an on-site interview.
2. If you're a good match for the position, and you accept our offer, we'll send you to a *staffing agency to get paperwork rolling and schedule a drug screen.
3. While you're working through the staffing agency, you'll receive paychecks directly from the staffing agency and also receive any benefits that the staffing agency may have to offer.
4. If you are eventually hired on by HWH®, you will become eligible for HWH® company benefits, as provided for in our Company Benefits Plan.
