

HWH® SpaceMaker®

Dual-Cylinder “Universal” Level In/Level Out (LI/LO) Hydraulic Room Extension

(with HWH® Synchronizing Cylinder)

HWH® Dual Cylinder “Universal” Room Extension* is designed to simplify installation. New exclusive HWH Inter-Locking Chains* are used to extend and retract the room. The level-in/level-out coach floor provides for a flush floor in the coach whether the room is extended or retracted. The coach floor lowers when the room is retracted and raises when the room is extended rather than the room raising or lowering.

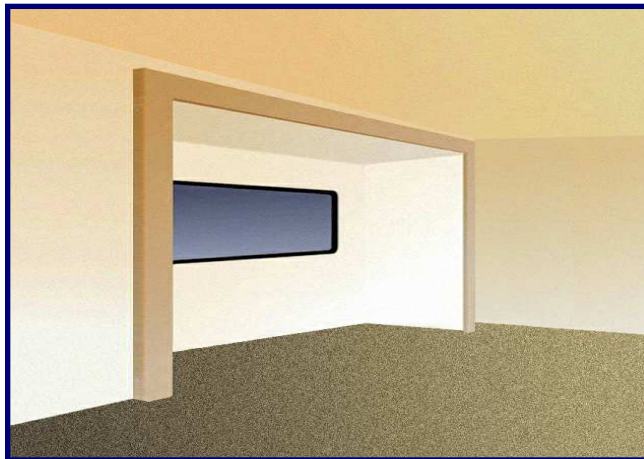

Exterior of room and coach.

Features and Benefits

- Wheelchair Friendly. Room floor is level when the room is in the extended or retracted position allowing accessibility for wheelchairs.
- A heavy-duty room extension system for rooms up to 3,000 pounds.
- Attaching slide room to storage compartments is optional - No more crawling under room to gain access!
- The Dual Cylinder “Universal” slide utilizes a four-point attachment, which draws all four corners in for a positive seal whether the room is extended or retracted.
- The HWH Synchronizing Cylinder allows for smooth, even extension and retraction of the room.
- No exposed hardware when the room is extended. The exteriors of the room and the coach have a clean, finished appearance.
- Ideal for use on galley and living rooms.
- The mechanism is easily operated with the use of a momentary switch.

Specifications & Features

The HWH® SpaceMaker®: Dual Cylinder "UNIVERSAL" Room Extension Level In/Level Out (with HWH Synchronizing Cylinder)

Specifications...

WEIGHTS (lbs.)	
Each "Universal" Assembly (2)	75.00
Pump *	15.00
Sub Floor Mechanism	280.00
Gross Weight W/Synchronizing Cylinder	465.00

DIMENSIONS (in.)	
Mechanism Height	78.65
Mechanism Width	4.00
Mechanism Extended Length	34.75
Mechanism Retracted Length	4.75
Max. Extension of Room	30.00

LOAD PER MECHANISM ** (lbs.)	1,500.00
TOTAL LOAD ** (lbs.)	3,000.00

PRIMARY APPLICATIONS	
Mechanism - Wall Mounted	
Sub Floor Mechanism - Below Floor	

*If coach is equipped with an HWH® Leveling System, pump can be shared.

**Load includes all occupants, cargo, and permanent fixtures resting on room.
